

## Tour Schedule of Kathmandu Pokhara Chitwan

---

Thank You for travelling with Eziitours! The following time table will guide you. Kathmandu has been the center of Nepal's history, art, culture and economy. It has a multiethnic population within a Hindu and Buddhist majority. Religious and cultural festivities form a major part of the lives of people residing in Kathmandu. Tourism is an important part of the economy as the city is the gateway to the Nepalese Himalayas. There are also seven casinos in the city. In 2013, Kathmandu was ranked third among the top ten upcoming travel destinations in the world by TripAdvisor, and ranked first in Asia. Historic areas of Kathmandu were devastated by a 7.8 magnitude earthquake on 25 April 2015. Nepali is the most spoken language in the city, while English is understood by the city's educated residents.

Pokhara is a city on Phewa Lake, in central Nepal. It's known as a gateway to the Annapurna Circuit, a popular trail in the Himalayas. Tal Barahi Temple, a 2-story pagoda, sits on an island in the lake. On the eastern shore, the Lakeside district has yoga centers and restaurants. In the city's south, the International Mountain Museum has exhibits on the history of mountaineering and the people of the Himalayas.

Chitwan National Park is a preserved area in the Terai Lowlands of south-central Nepal, known for its biodiversity. Its dense forests and grassy plains are home to rare mammals like one-horned rhinos and Bengal tigers. The park shelters numerous bird species, including the giant hornbill. Dugout canoes traverse the northern Rapti River, home to crocodiles. Inside the park is Balmiki Ashram, a Hindu pilgrimage site.
