## Tour Schedule of Singapore Malaysia

---

Thank You for travelling with EziiTours! The following time table will guide you. Singapore, an island city-state off southern Malaysia, is a global financial center with a tropical climate and multicultural population. Its colonial core centers on the Padang, a cricket field since the 1830s and now flanked by grand buildings such as City Hall, with its 18 Corinthian columns. In Singapore's circa-1820 Chinatown stands the red-and-gold Buddha Tooth Relic Temple, said to house one of Buddha's teeth.

Kuala Lumpur is the capital of Malaysia. Its modern skyline is dominated by the 451m - tall Petronas Twin Towers, a pair of glass-and-steel-clad skyscrapers with Islamic motifs. The towers also offer a public skybridge and observation deck. The city is also home to British colonial-era landmarks such as the Kuala Lumpur Railway Station and the Sultan Abdul Samad Building.

Genting Highlands is a high-altitude hill resort in Malaysia, located in the Titiwangsa Mountains northeast of Kuala Lumpur. Developed since the 1960s, the site comprises hotels, a shopping mall, restaurants and the Casino de Genting. Its Chin Swee Caves Temple sits on forested acreage with mountain views. Genting Skyway, a cable car, connects the resort with the plateau town Gohtong Jaya.
