

Tour Schedule of Wonders Of Nepal

Thank You for travelling with EziiTours! The following time table will guide you. Kathmandu has been the center of Nepal's history, art, culture and economy. It has a multiethnic population within a Hindu and Buddhist majority. Religious and cultural festivities form a major part of the lives of people residing in Kathmandu. Tourism is an important part of the economy as the city is the gateway to the Nepalese Himalayas. There are also seven casinos in the city. In 2013, Kathmandu was ranked third among the top ten upcoming travel destinations in the world by TripAdvisor, and ranked first in Asia. Historic areas of Kathmandu were devastated by a 7.8 magnitude earthquake on 25 April 2015. Nepali is the most spoken language in the city, while English is understood by the city's educated residents.

Chitwan has a particularly rich flora and fauna. Nepal's first national park, the Chitwan National Park together with the adjacent Parsa Wildlife Reserve support a species diversity much higher than any other on the Indian subcontinent. Rare species include Bengal tiger, gharial, rhino, leopards, mugger crocodile, Indian rock python and several species of deer. The protected areas are guarded by a battalion of the Nepal Army and patrolled by anti-poaching units. The Rapti River flows east to south west in the south of Bharatpur and forms the northern border of the Chitwan National Park.
