

# Explore Bhutan

(7 Days and 6 Nights)

## Bhutan

Bhutan, a Buddhist kingdom on the Himalaya's eastern edge, is known for its monasteries, fortresses (or dzongs) and dramatic landscapes that range from subtropical plains to steep mountains and valleys. In the High Himalayas, peaks such as 7,326m Jomolhari are popular trekking destinations. Paro Taktsang monastery (also known as Tiger's Nest) clings to cliffs above the forested Paro Valley.

## Thimphu

Thimphu, Bhutan's capital, occupies a valley in the country's western interior. In addition to being the government seat, the city is known for its Buddhist sites. The massive Tashichho Dzong is a fortified monastery and government palace with gold-leaf roofs. The Memorial Chorten, a whitewashed structure with a gold spire, is a revered Buddhist shrine dedicated to Bhutan's third king, Jigme Dorji Wangchuck.

## Paro

Paro is a valley town in Bhutan, west of the capital, Thimphu. It is the site of the country's only international airport and is also known for the many sacred sites in the area. North of town, the Taktsang Palphug (Tiger's Nest) monastery clings to cliffs above the forested Paro Valley. Northwest of here are the remains of a defensive fortress, Drukgyel Dzong, dating from the 17th century.
